Rojales

Costa Blanca

Have you finally decided to live in Spain? That's great news! We cannot do other than congratulate you. In Rojales? Of course. A traditional Spanish town where you will be able to find everything you need in order to have a happy life. Because there is always something to do here: enjoying beautiful evenings; playing golf; shopping at a Spanish market; going on a bike ride along the beach or at the splendid lagoons; going shopping to Zenia Boulevard or just enjoying a beer or a coffee at the hundreds of different terraces that Rojales can offer. Sun and relax, sun and relax. That is the motto. Do you dare?
